

TEMPORARY ACCOMMODATION LEICESTER & LEICESTERSHIRE

Our temporary accommodation services and schemes combine accommodation and support for homeless people in Leicester and Leicestershire. We offer a safe environment and support people to acquire the skills needed to move into more long term housing.

OUR MISSION:

**WE PROVIDE HOUSING AND CARE TO
IMPROVE OPPORTUNITIES FOR PEOPLE**

ALL OUR RESIDENTS ARE GIVEN A PERSONAL SUPPORT PLAN WHICH HELPS THEM TO WORK TOWARDS ACHIEVING THEIR GOALS.

Our Project Workers can provide advice and assistance in:

- ▶ accessing welfare benefits
- ▶ improving budgeting skills
- ▶ emotional wellbeing
- ▶ employment opportunities
- ▶ social opportunities
- ▶ advice and advocacy
- ▶ acquiring or developing life skills
- ▶ parenting skills and housing

They are also great listeners and can provide an ear when things are tough.

When support is no longer needed and both staff and resident feel they are ready for independent living, we will assist with the next steps.

There are many different directions that can be explored such as *Choice Based Lettings* with your local council, shared houses or private lets if you'd prefer.

"I was homeless and sleeping rough until I was offered a room with emh. I have been given lots of support in sorting out my benefits and what I can do for work and excited about my future." Ian / Resident
